| Assessor Comments            | An excellent quality line of 1st x ewe lambs, in forward condition, and bouncing ahead on fresh spring pastures and barley feeders. They show good length and bone, and are true to type. No expense has been spared sourcing the genetics that go into these lambs. They are all out of excellent quality Ballatherie blood ewes purchased annually at the Hillston Breeders Sale by top Border Leicester rams and have the potential to grow into excellent prime lamb mothers. This lot represents the second draft of the 2026 drop ewe lambs, with a tail removed. There 600 head in this draft to be sold in 3 lots as a run out the gate. There are another 600 of the lead draft of these ewes also in this sale. |            |           |         |
