Assessor Comments	Opportunity to purchase the lead draft of Xbred lambs of Corynnia Stn out of Larg Framed Woodpark Poll Bld Ewes by the Keiross White Suffolk Rams. Vendor bred lambs that have been weaned onto Barley Crop and have had there booster vaccination up to date. Given the feed that they have been weaned onto there is dag and stain as shown in photos and videos, upon delivery either a crutch all shearing would be advisable and beneficial, great lambs to take on either into feedlot, irrigation or future stubbles. Please note 242 in the lead and 238 in the seconds. Opportunity to put 4 decks of Xbred lambs together.
