Assessor Comments	A light 2 decks of vendor bred White Suffolk cross poll merino weaned suckers. 100% weighed 28-43kg after a big +24 hour curfew. These lambs are carrying ample fat cover under a typically dry xb skin and will respond quickly after a shear. They are out of large framed Bluebush blood pill merino ewes and sired by large framed Keiross and Warburn White Suffolk rams. Quality lambs that will generally grow out to extra heavy export weights with feed. They were jetted on the crutch following assessment to guarantee no flys come delivery. Vendor is offering tops and seconds of merino suckers and also SIL merino ewes in today's sales.
