| Assessor Comments                     | 450 May/June 2026 Merino wether lambs, Formosa bred, Charinga blood, unshorn, mulesed, 43.4 kgs live weight at assessment. A quality line of wether lambs, perfect to grow out for trade/export markets. Wethers are reasonably fresh considering season, displaying plenty of width, depth and bone. Proper wether lambs that will fill out into heavy export lambs and cut a power of wool. Ideal dual purpose sheep. |  |  |  |
