Assessor Comments	Merino Wethers that are not often found showing growth, bone, structure and the ability to cut kg of quality wools. Coongoola Past Co have been using Willandra Genetics for many years which shows as you can see in photos and videos. Lambs have also been imprinted to grain and have been on improved pasture which is currently converting as high as 350 grams a day. Some of the best genetics have one into breeding these Wethers. If you have any further questions don't hesitate to call 0409 412713
