Assessor Comments	This is an excellent draft of Cuyuac ewe lambs from the Gartland Lane Block. Sold as a run out the gate from a mob of 700. They are the better end of this July drop. Bred out of younger Blue, Black and Red Tag Composite ewes by top end Cashmore Oaklea & Paradoo Maternal Composite Rams. They are in very good healthy condition and present a big opportunity for someone to purchase a line of extremely well-bred composite ewe lambs. The Cuyuac flock is made up of primarily Paradoo Prime, Cloven Hills & Cashmore Oaklea Genetics. This flock is renowned for turning out excellent trade weight lambs at a young age. Vendor only buys rams in the top 5% of the maternal index with a focus on High growth & fertility, with Positive Fat and good eye muscle. These ewe lambs present an opportunity for someone to purchase top class ewe lambs out of a large commercially run flock. These ewe lambs will have the age and maturity to join as ewe lambs if desired. These ewe lambs come highly recommended.
