Vendor Comments	Selling annual drop of merino wth suckers
Assessor Comments	A neat draft of the Kruger Nominees Poll Merino Wth Suckers, that present in a fresh and forward condition. These lambs have been bread out of large framed ewes and will grow into an export weight lamb or a good wool cutting wether. The lambs show good deep body with plenty go stretch and bone about them. These lambs have a nice rebate on their back and will only continue to keep going forward. Lambs have been individually weighed for the buyers confidence. With a tail removed. Please note the vendors top on of Wth suckers are in the sale.
