Assessor Comments	Lead draft of 435 of the Emerson Family White Suffolk/Merino X Suckers with a second draft of 465 also offered today. Showing the benefits of an excellent season and the Almondvale White Suffolk breeding these lambs have the frame and capacity to continue to pack on the kilograms to reach heavy trade or export weights. With carcase weights at light trade weight now they are ideal for a quick turnover. Majority of draft are Wether Lambs as the vendor has retained a large portion of Ewe Lambs. Second draft of 465 also offered in this sale.
