Notable Traits	Traits 34 Head Light dag approx 10%																							
Assessor Comments	Merino Wethers, May/June 26 Drop, UnShn, Willandra Bld & Brd, 1 Mk & Mlsd. Lead Draft of wethers from Willandra, prime to take onto processor weights or induct into a feedlot to achieve a high drsd weight , don't disregard the ability to cut kg of quality white wools. Lambs have achieved great returns in the past, noted doing ability given the genetics. Re Pick up, Lambs are at two separate properties that are approx 10kms apart. Please note the 2nd draft in lamb sale also (292). Heavy dag lambs will be crutched. Crutch upon delivery to purchasers location would be advisable. Lambs to be weaned onto truck at delivery.
