Assessor Comments	Presenting a fantastic opportunity to purchase a line of weaned store lambs ready to steam ahead if given the chance. These lambs were weaned and drenched with Q drench on the 31st of July & were market crutched 2 weeks ago. They were all weighed on assessment day in a tight bracket of 38-46.5 kg through a handler and are grazing on fantastic pastures of clover and rye. Highly recommended lambs that are on the do
