Assessor Comments	This is a line of 305 Poll Dorset Merino X mixed sex lambs. These lambs are ideal to purchase to carry through the spring to grow into trade or export weights. The lambs are bred ex Pepperton Poll Dorset sires which are selected for their high growth rates, muscle development and doing ability. They are a complete drop out of the Black Cockatoo Merino Flock (with tail removed). They are lambs that have flourished since weaning, and showed plenty of vigour at assessment.
