| Assessor Comments      | Senior Park Props annul draft of Poll Merino wether lambs. These lambs have been bred out of large frame Senior Park ewes and will grow into an export weight lamb or good wool cutting wethers. The lambs show good depth of body with plenty of stretch and bone. All lambs have been individually weighed at 28-34.5kg for buyers confidence. These senior Park lambs are well renowned in the district. Buy with confidence, these are the third draft with a tail removed. |  |  |  |
