| Assessor Comments | Very well bred line of 40kg May / June drop Merino wether lambs. The Campbell family have invested heavily in sourcing high end Merino rams from Yarrawonga & Grassy Creek. Often purchasing the top price ram at the sale, striving to produce dual purpose sheep that are big framed and still cutting a lot of fine wool. Being freshly crutched and jetted these Lambs are on the front foot & are doing well since weaning. Tops of the drop, 20% tail removed. Vendor has another 530 wether lambs located at Crookwell in the same sale A/c Duntroon Pastoral Company |
