Assessor Comments	On offer is and excellent line of first cross suckers with plenty of opportunity to go forward. Bred from large framed ewes purchased Ex WA and a very good start these lambs will not disappoint. In previous years these lambs have been taken through to exports weights through the vendors feedlot returning excellent weigh gains. These lambs are only being offered due to a change in the vendors management plans. Buyers please note the vendor has another line of lambs in this sale. Buyers also please note that while no lice were visible at assessment lambs are noted to be rubbing.
