Assessor Comments	On offer is a quality line of Highlander wether lambs that present a great buying opportunity. Having a great start to life with no setbacks these lambs are sure to not disappoint. In previous years these lambs have been taken through the vendors feedlot and have made exceptional weight gains and very good returns. These lambs are only being offered because of a change in the vendors management plans. Buyers please note the vendor has another line of lambs in this sale. Buyers also please note while there were no lice visible at assessment lambs are noted to be rubbing.
