Vendor Comments	Sale of complete top draft of Merino Ewe lambs from Berremangra Property.
Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.
Assessor Comments	Offered is the first draft of an excellent line of Merino ewe lambs, bred from medium-to-large-framed Merino ewes. The lambs are presented in fit, healthy and forward condition, ready for weaning. Last year's ewe lambs averaged 17-micron wool, producing a good, clean, bright white clip. These lambs have the potential to grow into productive breeders and would make a valuable addition to any Merino flock. A 10% tail was removed at assessment, and no ewe lambs have been retained by the vendor.
