Assessor Comments	LJ and HK Higgins are offering their tops of the 2026 drop xb suckers. Representing 2750 head total to be sold as 3 x 730 head and 1 x 550 head and delivered as a run out the gate. These lambs are out of medium to large framed first cross ewes from a Salt Creek merino base and have been bred on the property. They are sired by Banquet blood White Suffolk cross Southdown sires. Please note 640 lambs were assessed total out of 2750 head. They were eye drafted with a tail and anything not satisfactory removed then a sample was assessed. 100% crutched last week and presenting clean on the breech. These lambs are not overdone offering immediate weight gains with added nutrition. Majority of the lambs are lacking fat cover due to the seasonal conditions and the country looking for a rain but are presenting healthy and full of energy. With the lead on the kill and weighing 28kg plus to average 38kg empty these feeder lambs are ideal to top up on grass or grain for positive kill markets. Refer all photos as they represent the lambs in their assessed mobs. Quality well bred second cross lambs that have their foot on the till. Delivery has been scheduled for Friday and Saturday but should this need to be altered please get in contact and we will accommodated where possible. Please note vendor is offering other lambs in today's sale.
