Assessor Comments	Well bred 2nd X Lambs, June/July 2026 drop, by High Index Ivadene Poll Dorset & Felix White Suffolk rams. Lambs will suit domestic and export markets when finished. Appreciate the shearing on these lambs which will present them very well if sold through the saleyards. The lambs have been grain trained on their mother before weaning. Very tight weight range which presents the lambs well. All the work is done on these lambs and are ready to be fed up and sell early new year. Please note that the Manager of Fowles Farms, Ed Mercer also has 520 of his own lambs in the same sale almost identical to these making a total of 1040 shorn lambs
