Very Good	100%

Assessor Comments	Well-bred 2nd X Lambs, June/July 2026 drop, by high-indexing White Suffolk rams. Lambs with plenty of shape and doing exceptionally well after being shorn. Ideal lambs for export or domestic markets. Appreciate the shearing on these lambs which will present them very well if sold through the Saleyards. Lambs grain-trained on mothers 6 times before weaning. Very tight weight range which presents the lambs well. All the work is done on these lambs and are ready to be fed up and sell early new year. Please note that the Vendor also Manages Fowles Farms who also have 520 lambs in the same sale almost identical to these making a total of 1040 shorn lambs
