Assessor Comments	Sterling Pastoral offers a draft of 565 Poll Dorset sired lambs presenting in healthy forward store condition. Sired by high indexing Cashmore Oaklea Poll Dorset rams bred from Cashmore Oaklea composite ewes, they are well weaned with have plenty of time on their side being July/Aug drop. A significant tail was removed prior to assessment with this draft figuring in the top 1/3 of the drop. Vendor is diligent in genetic selection with terminal sires selected on PWT 17 or greater, PEMD 3.5 or greater & PFAT neutral to positive. Daggy lambs will be crutched prior to delivery. With consistent repeat buyers of these lambs it suggests they perform. Chance to take on well weaned, late drop lambs to finish to trade or export weights.
