Vendor Comments	Annual sale of store lambs.
Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.
Assessor Comments	The annual sale of the Coates store lambs, June & July drop cross bred lambs. 100% weighed at assessment 34-42kg. Weaned at assessment and having been introduced to grain a handful of times while on mum, these lambs shouldn't take long to adjust and grow for a quicker trade. The Coates family select terminal sires on Eye Muscle and Post Weaning weight. Don't miss this opportunity to secure lambs that are weaned, grain imprinted and have had 2 x 6in1 vaccines. Please note: Vendor has another line of 160 weaned wether lambs in the sale.
