Assessor Comments	70 Cashmore Park Nudie wth lambs. All weighed 26kg to 36kg to av 31.3kg full. They were drenched on the 15/10/26 with a Triple combination. They are not OJD vaccinated. The vendors have been using Cashmore Park Nudies for 8 years and has add some Low foot print rams in for extra growth. Most likely these will not require shearing. The vendors spare no expense on rams, selecting for shedding, growth, EMA and FWEC. They are out of heavy ewes with stretch so given feed they will make trade and export weights.
