Assessor Comments	A great line of 800 lambs is being offered off "Audley." They are a genuine Mid July/August 2026 Drop and average 37kg curfewed. They have been well weaned onto Pastures of Clover, Rye and Pahalaris and have had 9 feeds of Trail Fed Barley while still on mum so they are grain-trained and ready to go. The hard work has been done. The prospective purchaser will not be disappointed with these lambs as we have had positive feedback from past purchasers on these lambs in both feedlots and on crops. You will notice in the photos some dirty lambs but all Lambs will be crutched on Monday 16th November.
