Assessor Comments	A great line of June/July drop 1st cross future breeder ewe lambs. These ewes have been bred out of large frame, western merino ewes and sired by Talbragar border leicester rams. Ewes present in fresh condition coming off a barley crop. These were weaned a day before assessment with a small tail removed. These ewes provide a unique oppurtunity to secure sought after breeders to take onto joining weights and join to a terminal sire of their choice. Buyers please note the wether portion of this drop will be offered in the same sale.
