Assessor Comments	On offer is 75 Dorper future breeder Ewe lambs. Lambs are a July 2026 drop. This is a small line of Ewes that exemplifies plenty of quality breeding; Ewes are Burrawang blood. Lambs are showing plenty of weight and depth for their age. Lambs were all weighed individually in a tight weight bracket, making them perfect for an autumn joining. Buyers please note, the vendor has the White Dorper portion up in the same sale.
