Assessor Comments	On offer are 770 Poll Dorset x Poll Merino sucker store lambs, 38kg average at delivery. August/September 2026 drop, out of large frame deep barreled multipurpose Bundilla blood Poll Merino Ewes, by high indexing Rowallan & Lambpro Poll Dorset Rams. Lambs weaned just under a month ago onto Lucerne Clova pasture, are absolutely flying on that feed right now, 100% of the lambs weighed 35-51kg. Tops of the drop out of 2200 lambs, showing plenty of shape and frame, perfect to shear and feed onto good trades or heavier export lambs. Usually retained and fattened but they are being offered for the first time as a restocking lamb for the purchaser's gain. Please note very odd lamb slightly lame due to the hot feed but not at all detrimental & will get over it. Also note a small percentage of White Suffolk x throughout the line. There is 380 of the second cut offered in this same sale weighing between 30-35kg averaging 32kg. Great opportunity to secure some outstanding lambs only 3 months of age with plenty of punch.
