Assessor Comments	Buyers, on offer is 400 Kerin Poll Blood Merino Lambs. A quality line of WEANED July/August drop lambs, all individually weighed above 25kg+ at assessment. Lambs present fresh and ready to go. Lambs are well educated to barley, having been trail fed 3 times per week since weaning and were imprinted on mum 3 times per week before weaning. Lambs show excellent length, frame and leg, offering plenty of compensatory gain to be had. Lambs represent the lead draft of the Margan Pastoral wether lambs. Lambs are out of large-frame Kerin Poll Merino ewes. Lambs present as a very even, well-bred line suited to continuing to take onto heavier trade or export specifications. For further information, please contact.
