Assessor Comments	Offering 187 SIL young Merino ewes. These ewes averaged 39.4kg live at assessment and are all June shorn. These ewes are vendor bred and were scanned in lamb to North Ashrose Merino rams on the 22/07/26. The ewes are mainly fresh hoggets and ideally would go onto good feed to lamb out and continue to grow. Don't miss this opportunity to purchase a 2-deck line of young SIL ewes to put away and lamb out from October. Please note there are multiple other lines of ewes for sale this week from the same vendor which may help with freight.
