	Good	10%	Light
Assessor Comments	A very good line of rising 4 yo merino ewes in fresh store to fat condition. Weighed 48 to 77 kgs to average 60 kgs after an overnight dry curfew. Freshly shorn and drenched, scanned in lamb 22/7 to Border Leicester Rams to commence lambing the 1st week of September. Have not been scanned for multiples so please allow for extra lambs. There are two other lots in this sale SIL to Borders. The season at Yamburgan has been below average but the sheep are fresh and strong (See video). A normal rejection has been done, these are the normal classing out of the black tag flock. The Yamburgan flock micron is usually 19.5 to 20 of good bright traditional wool. NB: Two merino rams were in this mob for 3-7 days, taken out on the 25th March.
