Assessor Comments	A nice run of 5 yr old SIL Ewes that are in a forward condition coming into lambing. Ewes got purchased as a part dispersal Ex NSW back in the spring and are surplus to the vendors requirements. Ewes show a good deep bone with a good carcase and frame, while also having a nice rebate on there back. The Ewes scanned up well at 149% to the wingamen WIS rams and are due to commence lambing at the start of October for 7 weeks. Note vendor has another two lines in the sale that are apart of the same mob.
