Assessor Comments	Quality line of classed in ewes as have come to be expected from the Hadleigh P/Co Flock. Ewes with a great track record and a good start in the skin, ready to take the ram of your choosing. Classed annually by George Caton, these ewes wont disappoint. Plain/ deep bodied uncomplicated ewes standing on plenty of bone exhibiting length of body and thickness. Well Mulsed. No negatives here these fellas work hard on their sheep and they should be proud of the article they stand behind! These ewes would suit the most astute prime lamb operations or self replacing merino flocks looking for great genetics. Odd ewe with longer than normal toes, not detrimental. Buy with confidence you're buying good sheep! Tail removed prior to assessment.
