Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.
Assessor Comments	Line of proven breeder ultra white ewes, March/April drop, based on Glen Park ultra white bld. Being offered in 3 x 200 head lots, majority, 569 head yellow tags with delivery being a run out the gate, 31 head mixed ages (1 x white tag/ 1 x black tag/ 3 x blue tag/ 9 x red tag & 17 x purple tag to be split evenly at delivery. Observed some ewes with longer toes due to running on softer country. Mouthed ewes handled through crate, 120 head, 2 x broken balance sound. All ewes have had lambs, some still with udders, they are not station mated and ready to join. This represents a very good line of ewes from an established shedding breeding enterprise. Ewes presenting in store to prime condition.
