Assessor Comments	A Very good line of Stretchy Heavy boned, Australian white ewe lambs. From a genuine breeder who takes pride in the improvement of their sheep, due to large Joining and lambing numbers the vendor has decided to sell these young ewes. The lambs off this farm are generally yielding over 50% and export weights. The ewes also provide large weaning numbers. The vendor selects rams on shedding capabilities, growth, feet/structure, and muscle content to provide maximum ROI. Buy these ewes with confidence
