Assessor Comments	Complete drop on offer - This lot represents the complete drop of SIL 2025 Nudie lambs from the Burge Flock. These lambs have done well since weaning on river flats and would be a welcome addition to a shedding sheep enterprise. Please see joining details for full satisfaction. These sheep are 100 % Nudie ewes which have all been bred from elite Cashmore Park Nudie ewes joined to Matt Kelly's Low Footprint Nudie rams. Rams have been selected for high ABV's including notably for shedding, worm resistance and high weaning weight. Good opportunity to secure easy care, very well bred, shedding Nudie sheep which combines the outstanding genetic attributes of Cashmore Park and Low Footprint sheep. Very reluctant sale and only selling due to deteriorating seasonal conditions. Please note: Vendor has PTE Ewe lambs in todays sale also.
