Assessor Comments	A quality line of Roseville Park blood ewes offering outstanding maternal strength, structural correctness, and proven performance. These females display excellent frame, sound feet and legs, and are renowned for their fertility, milking ability, and quiet temperament. Carefully bred from respected Roseville Park genetics, they present a genuine opportunity to secure productive breeding ewes capable of raising heavy, fast-growing lambs while maintaining longevity within the flock. An ideal foundation for commercial producers seeking reliable, high-performing maternal genetics. **Please note Vendor has another lot of ewes in this sale**
