Assessor Comments	Great opportunity to purchase 165 Future Breeder Ewe Lamb/Hoggets, that will fit into any Merino or Terminal operation. These Ewe Lamb/Hoggets are showing a medium to large frame with a good stretchy body and good carcase, with plenty of time on their side they will only continue to keep growing into a large framed ewe. At shearing the line produced a nice white wool with a well defined crimp and produced a Avg mob micron of 18.4 . The Vendor purchased the Ewe lambs back in the spring to run across surplus feed and are now surplus to the vendors requirements, a tail has been removed. 20 of the lambs got mouthed at Assessment and 2/20 are cutting teeth. Please note the vendor is offering 330 in the sale, which will be offered as two runs of 165 on A+ as a run out the gate.
