Assessor Comments	A very neat line of poll merino ewes with fresh sappy lambs at foot, works all done with the ewes all shorn up and the lambs marked and 1st vaccinated. These ewes are in great condition for having lambs on them, they have done a great job with the lambs presenting solid and sappy. Lambs bar maybe 6 are all weanable size. Mouthed a handful of the 2021 Drop ewes and all were sound and solid teeth, all dry ewes have been removed from the offering.
