Assessor Comments	An excellent run of 1X BL/Mer ewe lambs from the Brookglen flock. Ewe lambs are unjoined and would be a welcome addition to any crossbred lamb enterprise. These young ewes have done terrifically over what was a tough summer and now cold winter. Very well grown for their age and will join up well any time moving forward given the opportunity. Lambs are OJD vaccinated and late Feb shorn. Please note: Agent can arrange freight to Riverina with weekly market trucks to Wagga. Daughter also has 30 1X NSM ewe lambs in todays sale. Same breeding.
