| Assessor Comments                     | A small but well presented line of 1X ewe. Ewes were due to be kept but due to a tight winter, have come onto the market. These ewe's would be a welcome addition to any 2ndX lamb producer. Ideal to retain or to trade. OJD vaccinated. Please note: Vendors father has lot of 111 NSM ewe lambs in today's sale (Brookglen Past Co) |            |                  |            |
