Assessor Comments	115 Excellent quality young Aussie White ewe lambs in the prime of their life, they have been running with Australian White rams since being purchased in April & have been running on fresh vetch crop so they're already going forward and will continue to do so for the new purchaser. They have all been weighed in a tight weight bracket so you can buy with confidence. These ewes were purchased ex Wagga saleyards in April as part of a bigger run of mixed sex lambs, the majority of them are all one mark with a few smaller lots making up the balance. They will be an excellent opportunity for all prospective buyers and will be productive ewes for many years to come. There is another lot of 82 ewes available in this same sale that are the tops of these ewes.
