Assessor Comments	On offer is an incredible opportunity to buy a one mark line of Western bred 1st x ewes to secure as future breeders. There are 500 in total in this lead draft that will be delivered as 2x lots of 250 run out the gate with the opportunity to buy 250 in the second draft which are also in this same sale. All ewes are crutched up and ready for the ram of your choice for a spring joining. Ewes have done remarkably well but i believe will do even better once they are shorn after joining in the spring. Buy with confidence.
