Assessor Comments	On offer is an incredible opportunity to buy a one mark line of Western bred 1st x ewes to secure as future breeders. There are 250 in this second draft with the opportunity to put 500 of there lead sisters together also which are in this same sale. All ewes are crutched up ready for the ram of your choice for a spring joining. Ewes have done remarkably well but i believe will do even better once they are shorn after joining in the spring. Buy with confidence.
