Vendor Comments	Turnoff of entire drop of 2021 drop ewes. These ewes have been wet every year since having a lamb as maidens.
Joining Details	Not Station Mated
Any Access To Rams or Stags?	To vendor's best knowledge, this lot has had no access to rams or stags.
Notable Traits	Traits 4 Head Longer back toes
Assessor Comments	Offering 416 quality Merino ewes. The ewes were 50.9kg live at assessment after a night in the yards on hay but with no water. They were shorn in February and are currently carrying 50 to 60mm wool. The ewes are 2021 drop and are part of the flocks classed in breeders that have raised a lamb each year since a maiden. These ewes are bred from a well managed Well Gully/Miramar Poll Merino bloodline flock that has been selecting top quality rams for many years. The ewes are a good line of breeders that have a handy jacket and are ready to join to the ram of your choice. Please note a few ewes sighted with longer back toes which is common for ewes of this age on downs country.
