| Assessor Comments                     | Annual dispersal of surplus Ewes from the Maguire family (Cooee). 13+ years of Pooginook Merino blood which each year you can see the sheep improving immensely. Repeat buyers come back with positive feedback year in, year out. These Ewes will grow into a medium-large frame sheep. Ewes have been running on lucerne pasture and native country and present in good covered fat condition. All ewes are ready for the ram of your choice for a spring joining. |
