Assessor Comments	On offer is the lead draft of 420, of the Nealon family's 1st X ewes, to be sold in 2 lots running out the gate of 210. These ewes are very well bred out of large framed Yarong blood merino ewes by quality Weddin Border Leicester rams. They are in fresh/forward condition and are the perfect article to take forward to join for an autumn lambing. They will continue to grow out into large framed, highly fertile ewes as past buyers have quoted. Top quality ewes that are purchased by repeat buyers year on year.
