Assessor Comments	A very good quality, smaller line of NSM FX Border Leicester ewe lambs & hoggets, AUG/SEPT '25 drop, late July shorn. These ewes are one-mark, & represent the second draft of 88, typically younger ewe lambs, out 448 maiden ewes, which have been bred out of large framed western bred Merino ewes, & sired by TALBRAGAR Border Leicester Rams. Ewes present as an even line of true to type, stylish ewes, which are exhibiting very good length & squareness of body, & boasting plenty of depth & stretch, making them ideal future breeders of export weight potential, quality 2nd cross lambs. Ewes are in very good condition, with all animal health treatments up to date, making them ideally prepped for a Spring joining. The lead draft of 360 ewe lambs & hoggets which are being offered as 2 even lines of 180 on a 'run out the gate' basis, are also on offer this sale, as well as 78 one-mark, SIL 4.5 year old Fx ewes. A great opportunity to put back together with the tops for a terrific line of very well bred, attractive maiden ewes, or alternatively, bolster existing breeder numbers with a smaller line of quality future breeders.
