| Any Access To Rams or Stags? | To vendor's best knowledge, this lot has had no access to rams or stags. |
| Assessor Comments | *JOINABLE MPM EWES* An outstanding line of 420 Classed In MPM Ewes; to be offered as 2 x lines of 210 (run out the gate). Avg. 66kg at assessment. Rising 1 year old - Aug/Sept 25 Drop. May shorn. Ewes are showing exceptional weight for age. Outback MPM focus their breeding on fat, muscle, staple length and growth. Focus on fertility & easy care sheep. The wether portion of this years lamb have been processed at Gundagai and performed well above average in the GLQ+ program. Ewes have been tipped to ensure soundness of feet and udders. Considering the lamb, mutton and wool market these young ewes with all their life in front of them tick all the boxes. Carrying our highest recommendation! |
