Assessor Comments	On offer ~ AC Yambarra Pastoral Co 560 future breeder Merino ewe lambs. A top quality line of Merino Ewe Lambs just rising 12 months with an Av. BWT of 50.2 kg at assessment. These ewes are impeccably well bred along Trigger Vale Bloodlines, for the past 18 years with a particular emphasis on carcass traits (Post Weaning Weight, EMD & Fat) still maintaining Micron & Staple Length. Predominantly large framed ewes. Bred in the purple, these ewe are equally suited to both Merino production, or would make excellent matrons for 1st X Ewe production, or joined to a Terminal Sire of your choice. The flocks progeny consistently performs under feedlot conditions & gets noted results through Forbes CWLE or OTH sales. In my opinion, a terrific line of western bred ewes that will not disappoint. Bid with confidence.
