Assessor Comments	To be offered are 118 NSM Merino Ewe Hoggets. These young ewes are from an outstanding flock of Roseville Park Merino blood ewes and classed every year by the principal of that stud, Mr Mat Coddington. These Ewes average 60kg. They cut 4.5kg of wool this year and were 18 micron at shearing in July. This is a great opportunity to secure some outstanding young ewe hoggetts to join to a ram of your choice. A couple of ewes were showing signs of pink eye so vendor hit with Terramycin 2 times. There is no sign of it now
