Notable Traits

	Traits
4 Head	2nd x suffolk-Bl/Mo ewes in mob.

Assessor Comments	118 XB ewes with 170 marked labs at foot- 80% P/Dorset, 20% Suffolk. In solid condition, these ewes are raising solid and sappy 2nd x lambs. Majority large framed, These are mixed age ewes, approx 2/3rds would be suitable to rejoin and get another term. They are only being offered for sale due to sale of property and present as an excellent small package of short term trade ewes. Several broken mouths in the older ewes- on their last lap, but are doing well with good spring feed.
